

Head of Science

- Commencing Term 1 2022
- Permanent Full Time
- Join a team committed to innovation and excellence

Roseville College is an established, respected independent day school for girls in Kindergarten to Year 12, centrally located in Roseville on Sydney's North Shore since 1908. Ours is a learning community where girls and staff are truly known, and where every individual is valued. Our vision, to raise future-ready women who lead proficiently with strong character, is underpinned by the Christian faith.

The Roseville College staff comprises visionaries, innovators, pioneers and co-learners, who appreciate this as a meaningful, inspiring and progressive workplace where they are enriched, equipped and empowered for a fulfilling career and to make a positive impact on student generations.

The Roseville College Science Department is a collegial team committed to innovation and excellence in teaching and learning. Our students are curious and engaged scientists, and this is demonstrated through the strong engagement in our Stage 5 elective Cambridge Physical Science course, our broad offerings of Stage 6 courses, as well as numerous co-curricular STEAM opportunities.

The Head of Science provides visionary and strategic leadership to promote, support and sustain a dynamic learning culture. The role is responsible for leading innovation within the faculty to enable the delivery of high quality, authentic and rigorous learning experiences for our students. Additionally, the role will promote effective teaching practices which lead to positive learning outcomes.

The successful applicant will have:

- Leadership experience with a focus on rigorous student learning, engagement and growth
- Proven ability to foster a collaborative, research informed and data driven approach to excellence in teaching and learning
- Proven capacity to lead, support and develop a dynamic team
- An extensive understanding of the requirements of the NESA Science syllabi, and capacity to develop expertise in Cambridge syllabi
- Experience as a highly effective, innovative and motivated educator across Stages 4 - 6
- Relevant secondary education qualifications
- A strong work ethic, and the ability to work independently and be self-motivated
- Flexibility with a high degree of motivation for the role
- A positive outlook
- A track record of being approachable with an empathetic work ethic
- A willingness to be involved in the broader life of the College including camps.
- Demonstrated commitment to Christian value
