

## Assistant Head of Science

Roseville College is an established, respected independent day school for girls in Kindergarten to Year 12, centrally located in Roseville on Sydney's North Shore since 1908. Ours is a learning community where girls and staff are truly known, and where every individual is valued. Our vision, to raise future-ready women who lead proficiently with strong character, is underpinned by the Christian faith.

The Roseville College staff comprises visionaries, innovators, pioneers and co-learners, who appreciate this as a meaningful, inspiring and progressive workplace where they are enriched, equipped and empowered for a fulfilling career and to make a positive impact on student generations.

The Roseville College Science Department is a collegial team committed to innovation and excellence in teaching and learning. Our students are curious and engaged scientists, and this is demonstrated through the strong engagement in our Stage 5 elective Cambridge Physical Science course, our broad offerings of Stage 6 courses, as well as numerous co-curricular STEAM opportunities.

The Assistant Head of Science provides visionary leadership to promote, support and sustain a dynamic learning culture. The role is responsible for supporting innovation within the faculty to enable the delivery of high quality, authentic and rigorous learning experiences for our students. Additionally, the role will promote effective teaching practices which lead to positive learning outcomes for the students at Roseville College. The Assistant Head of Science will develop and lead STEAM initiatives, in collaboration with College staff.

The successful applicant will have:

- Demonstrated commitment to Christian values
- Relevant secondary education qualifications
- Be an experienced, highly effective, innovative and motivated educator with a passion for learning and teaching
- Have proven ability to differentiate instruction and personalise learning for students from Year 7 to Year 12
- Be experienced in teaching Stages 4 and 5 Science. Experience in Stage 6 Physics and/or Chemistry course/s will be an advantage.
- An extensive understanding of the requirements of the NESA Science syllabi
- Be an exemplary, experienced teacher
- A passion for teaching girls
- The ability to effectively operate as a member of a dynamic team
- A strong work ethic, and the ability to work independently and be self-motivated
- Flexibility with a high degree of motivation for the role
- Track record of being approachable with an empathetic work ethic
- Willing to be involved in the broader life of the College including camps

Roseville College is proudly a Child Safe Organisation, putting the best interests of children and young people first. Applicants must provide a valid Working with Children Check (WWCC) at the time of application or before employment. All appointments are subject to child protection legislation and employment screening.

Applicants must submit a full application, addressed to The Principal, including application form, a relevant cover letter, resume and supporting documents at the College website:
